## ACADEMICS

The English Department, headed by Miss Ruth Meyer does an excellent job of staffing teachers for the different courses. A Northern student has a large selection from which to choose in the areas of literature, composition, and reading. Both Compass, Northern's newspaper, and Spirit offer English credit.

Hits

Port Huron Northern is proud to show you our own radio station! The General Manager of WORW is Mr. Robert Trapp. He is a speech teacher and also teaches our broadcasting class.

All students in the broadcasting class work for and pass their FCC third class license. The students learn to run the station and are the officers themselves.

WORW has a long list of students that have gone on in the communications field. We are extremely proud of these students.

Radio station WORW is non-commercial and educational radio. We serve the Blue Water Area on a frequency of 91.9 on the FM dial. Be sure to tune us in.

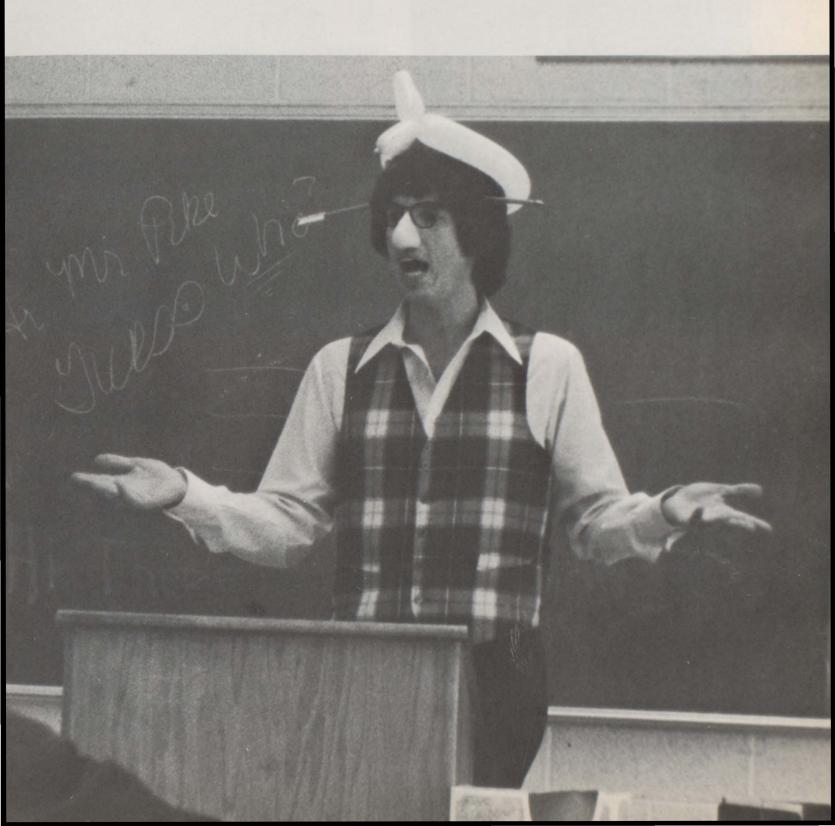

American history is a required class in the eleventh grade. In this class one learns about the history of our country. It gives the student a better understanding of his/her country and how it came to be independent.

**Civics** is a required course at Port Huron Northern. It is to be taken in the ninth grade year. In this class the students learn about the working of the government system and a little about economics.

# Social Studies Learning To Be ... Sociable

#### It All Adds Up ...

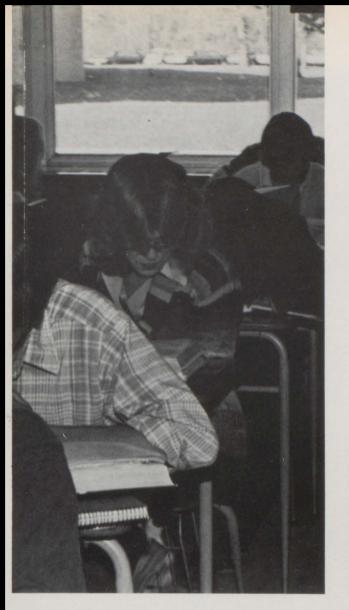

P.O.D. (Problems of Democracy) is a required class for the seniors at P.H.N. In this class, the students learn about the different forms of government and collect newspoints, a technique invented by the teachers in which the students can learn about the problems of today and better understand what is going on. In P.O.D., students also learns about the stock market, city government, and school board issues.

Our math department at P.H.N. offers a wide variety of courses. Although only two years is required, there are enough courses for a student to take math the full four years. As in some of the other departments, there are many levels of math courses so that each student may choose the course best suited to him/her.

#### Smile! You're On Candid Camera

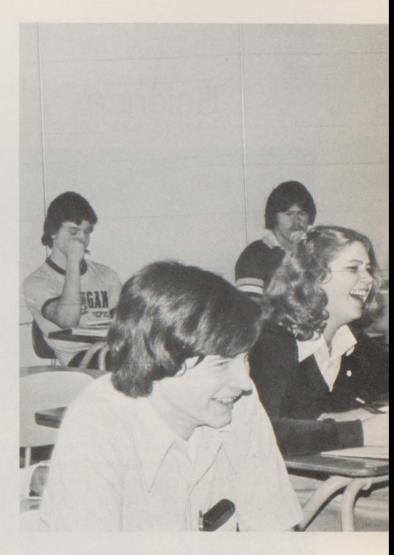

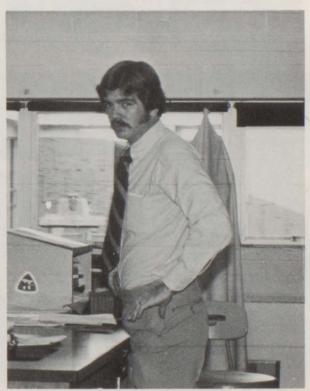

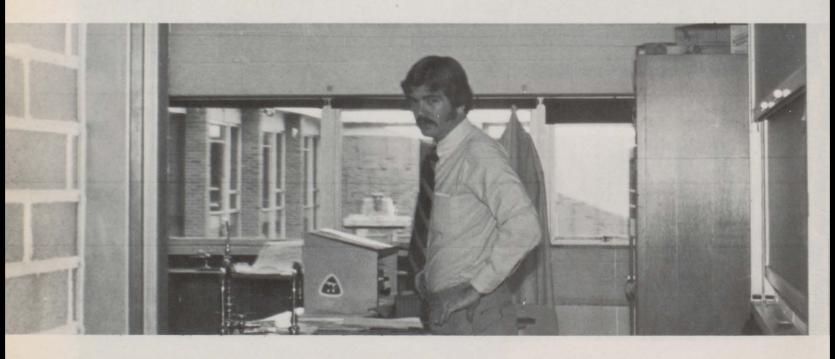

#### Science

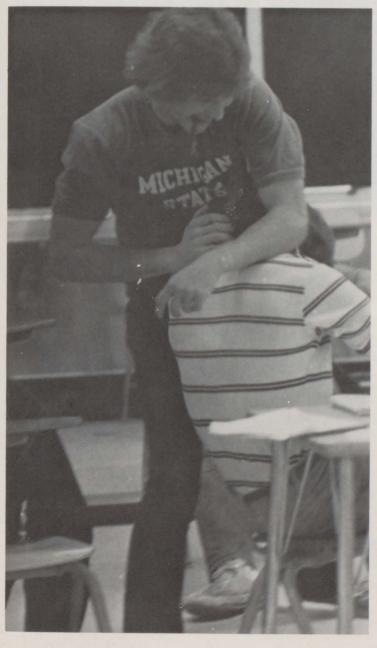

The Science Department, headed by Mr. Thomas Blackney, includes interesting subjects that anyone with an inquisitive mind would go nuts over. From flying high with aerospace to becoming a shutterbug with photography, PHN students learn the meaning of trial and error.

#### Languages \*!@

Ilas películas tienen todo! Por ellas sabemos que pepito y su perro Imán juegan mucho juntos. Toda la familia es muy amable. Máma y pápa quieren mucho a sus hijos. Amelia es bastante guapa pero emilio es muy perezoso. Cuánto puedes apren der conellos?

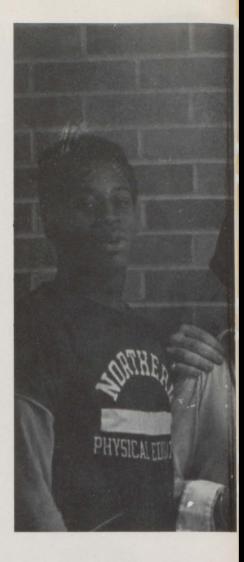

Die Deutschstunden

Man kann Deutsch vier Jahre lang auf Northern lernen. Deutsch macht Spass und gefallt den Schulern sehr. Viele dufte Bienen und tolle Buben lernen Deutsch. Macht mit! Les classes de français ici a ce lycee se jouissent d'un programme plus varie et plus interessant que la plupart des programmes d'aujord'hui. Les jeux, les pratiques orales, les films, les exercises de texte, les jours de cuisine, et meme les petits trajets de temps en temps remplissent les journees de nos lyceens. On espere developperlesconnaissances de notre "creme de la creme" autant que leur "savoir-faire". A l'avenir les "de ja-vus" feront souvenirs chaleureux de ces heures droles mais utiles que nousavons passees ensemble. Ca, c'etait la vie chez nous.

#### Health Ed: Girls And Boys

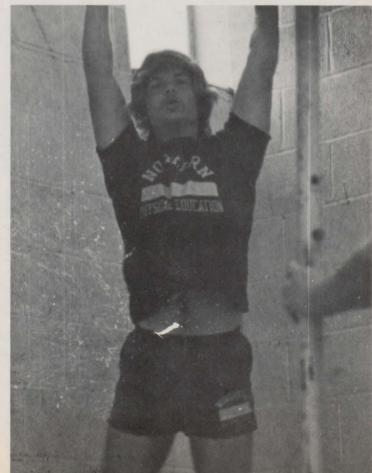

We feel that physical education is a very important class. Thus, we offer a variety of classes for both boys and girls. In your freshman year, two semesters of phys. ed. are required. There is a choice between team and individual sports. For the boys, grades 10-12, there is weights and agility, ad. weights and agility, physical fitness, and gym leader. For the girls, grades 10-12, there is nutrition and body contouring 1, 2, 3, & 4, leadership training, and gym leader.

#### Special Ed.

Extra attention is given to the special education classes. Students with specific problems receive individualized help by trained personnel, where hearing disabilities, emotional upsets, and other difficulties are overcome.

The main purpose of the hearing impaired room is to provide a resource room for the hearing impaired students who attend Northern. The goal is to integrate the students into as many regular classes as possible and have them come to the room for help. When they feel there is a class the students cannot take without failing, they are taught the class at a pace more appropriate to their abilities.

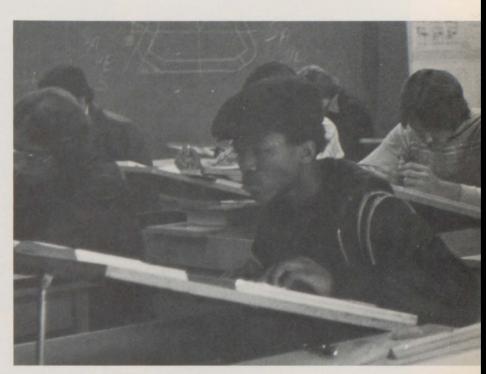

#### Vocational Shops Unlimited

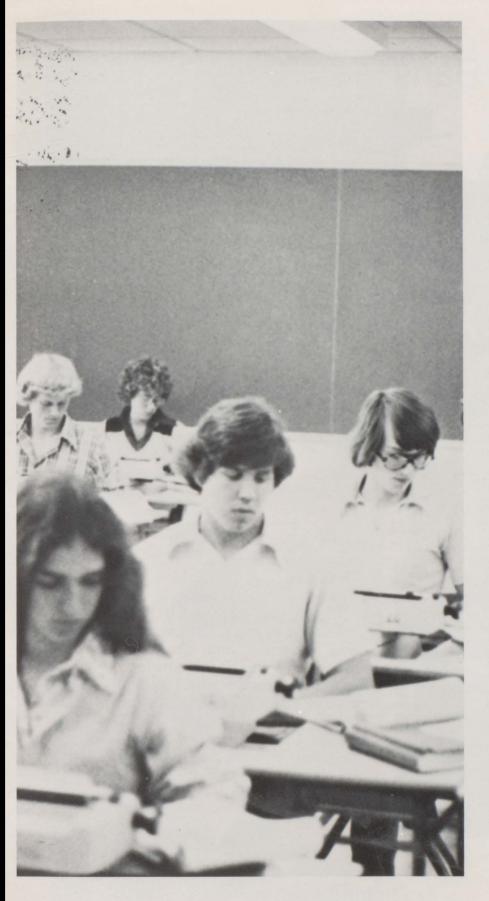

Our facilities at Northern cover many possible career choices. Our vocational education program offered three main courses, auto mechanics, drafting occupations, and electronical occupations. In addition, the industrial arts program offered a variety of classes for students interested in woods, metals, and mechanical drawing.

#### Business Ed.

Our Business Ed. Department at P.H.N. has a wide variety of classes from a 2 hr. clerical block class to business English shorthand, typing 1, 2, 3, & 4. Also, there is personal typing.

#### They Band Together

Last year the principle idea for band was "progress" and "progress" has been made. This was demonstrated during the marching season when students had to attend extra practices outside of class. During concert season, the two major bands, Concert and Wind Ensemble, participated in sectionals, adding attention to individual instruments at alternating times.

# Caught Ya!

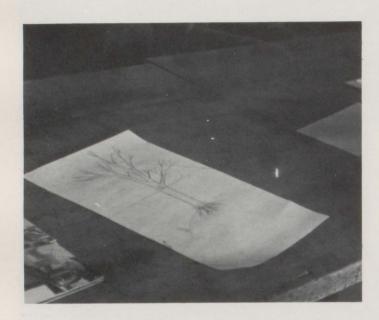

#### Artists Of Tomorrow Get Practice Today!

Art class is different. It's not like history or algebra. You have a chance to use your imagination and can experiment with new ideas. The helpful instructors, Mr. Taggert and Mrs. LaBeau, are always willing to help you with your problems or in choosing which art class is for you. This list includes, jewelry, drawing, painting, stained glass, art 1 & 2, commercial design, and others.

## What's Cooking?

The Home Economics Department this year has taught many girls and boys how to cook, plan a meal, set a table, and understand nutrition value all in one semester classes. They also have classes to teach students how to sew, embroider, and crochet. All of the home economic courses are one semester.

### Join The People Who Join The Skill Center

The Skill Center is a facility located on Range Road in Marysville, Michigan. It has many different clases in it that are very much like a real job setting. Some of the classes are:

**Steno-Clerical** — a class where the students study to be a secretary. They learn all about filing, typing, transcribing, and much more.

**Accounting & Computing** — students learn all of the things about being a CPA, cashier, and bank teller.

Data Processing — students learn how to be a computer programmer, data processor.

**Health Care** — students learn all about the parts of the body and things about how the body functions. This is a class for students going into nursing.

**Auto Body** — students learn how to improve their skill at working on the body of a car, painting, bumping, etc.

**Heating, Ventilating, Air Conditioning** — students learn to find out how these machines work and how to put the machines together.

**Foods** — Primarily for people interested in food management.

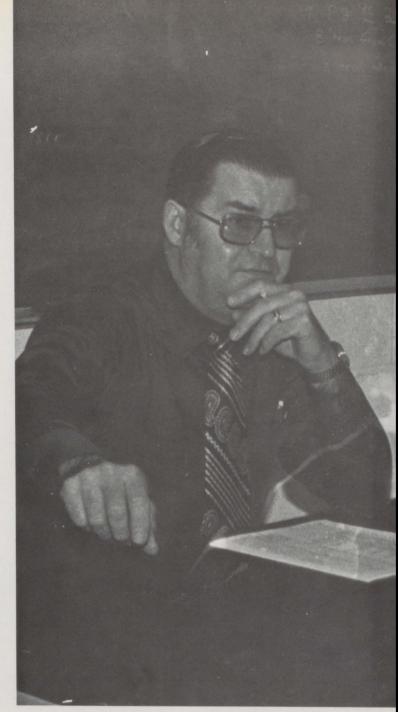

The Skill Center is open to all 10, 11, and 12 grade students who must apply and then be chosen according to interest and potential

#### Co-Op: In And Out Of School

Students at PHN earn by learning in the form of co-op. Mr. Gable, the co-op instructor, sees that students get jobs while getting credits. In the end, the student has received on the job training, credit by learning, and extra needed cash.

# SPORTS

# "They Expected A Lot ...

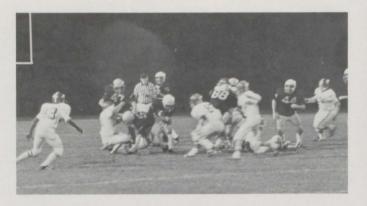

What varsity coach Jim Bates said just about sums up the whole 1978 football varsity team. The 1978 Varsity Football team ended their season with a spectacular 6-3 win-loss record. The team expected a lot — and why not? With three members receiving outstanding All-League Awards, the team didn't need to be modest. Rod Arquette, Brian Bates, and Bob Yanik were the three muscle men to win those all-league awards.

Senior Jeff East added to the powerful team his unique talent of catching flying pigskins. Using his talent, East set 4 records this year.

Brian Bates was named as this year's Most Valuable Player.

### V. Cheerleaders

This year the V. Cheerleading squad did a great job of arousing spirit. They cheered faithfully at pep assemblies, football, and basketball games. They cheered many new cheers along with the traditional ones. The squad showed great enthusiasm throughout the entire season and certainly did a good job of keeping up Northern's morale and spirit.

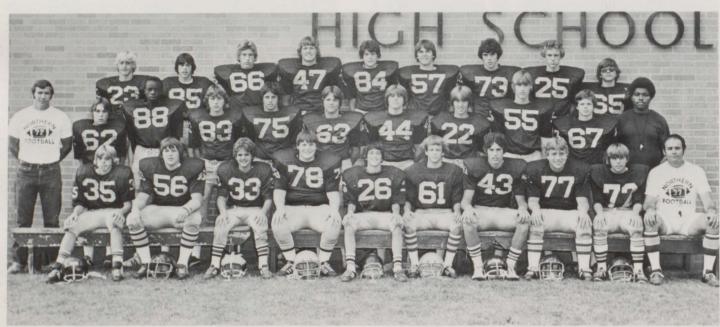

## Freshmen Blue Have Good Year

"I feel that the talent in Freshmen Football at Northern is as good or better than ever before ..." This is what Coach Klink had to say about this year's freshmen football players. The Blue team proved this with a record of 6 wins and 2 losses. The team set a record of only allowing 74 pts. during the entire season. Team captains were Dale Deloy and John Davis.

Golf members take a swing towards next year.

This year the Golf Team had a new coach, K. Senn, along with a great record of 11 wins and 5 losses. For the fifth consecutive year, the team won the city championship. Rich Cansfeild was M.V.P. and an all-city player. Jim Wilhelm was also all-city. Blake Bailey was all-E.M.L. player. With 3 of their top golfers returning next year, the team is looking forward to a great season in the fall.

# Cross Country Team Goes To State Finals

The cross country team had a great year with 14 wins and 3 losses. The team was city champs, county champs, 2nd in the E.M.L. and 3rd in state regionals. The team also went to state and placed 18th. Team captains were Gary Miron and Doug Oppliger.

## Fight For Victory

The Varsity Wrestling team put up a tough fight this season. The team won 7 matches, lost 6, and tied 0. The team was leaded by Captain Greg Jones who was also noted as the most valuable player. The team was coached this year by Mr. Lincer and Mr. Johnson. This was Mr. Lincer's first year as coach of the wrestling team and the team feels that he did a great job.

The Junior Varsity team also had a tough season. They came out with 4 wins, 4 losses, and 1 tie. This years outstanding players were Chris Pearson, Joe Kemp, and Hugh Heirer.

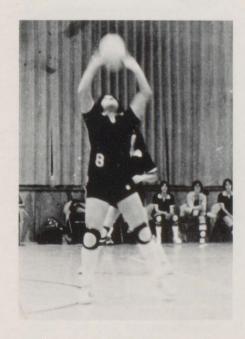

Northern's Mat Maids helped to keep the wrestlers spirit up. They cheered for the team, and also kept scores. This year's Mat Maids are — Lisa Tomchuk, Kim Belonga, Julie Graw and Michelle Ready.

The Varsity Volleyball team started out with a good season this year with 6 wins, 2 losses overall, and 4 wins, 2 losses in the League. Captains Helene Schultz and Caroline Simkins did a great job in leading the team toward their wins. The team was coached again this year by Miss Diane Fugiel.

### JV Practices Hard 7

The Junior Varsity team, coached by Charles Buhiager, practiced hard, long, and a lot this season to perfect their skill. The girls practiced after school, on Sundays, and even continued their practice over vacations. The girls practice paid off as seen by their high number of wins through the season.

#### THE ATHLETE

Some people are never challenged to do their best ... the athlete is.

Some people never know what it feels like to give everything with themselves to reach a goal ... the athlete does.

Some people can never deny themselves trivial things in order to reach the more valuable results ... the athlete can.

Some people never know what it is like to be an integrated individual with tension gone from the body and mind ... the athlete knows.

And few people dare chance defeat at hands of a better opponent ... the athlete dares.

This year was the second year for Northern to have a girls track team. Although the team's win-loss record was not that good, they did break nearly all of the records set the previous year. The team had a new coach, Charles Buhagiar, who helped the girls work toward breaking those records. Highest point scorers for the team were Anne Luce and DeeDee Cansfield.

#### Huskies

This winter was the second year to have a hockey team. Many spectators and players alike seem to enjoy the sport. The Huskies displayed a lot of skill and ability on the ice, as seen by their fine record.

# Varsity Softball Catches ...

After the 1978 season which included a second place finish in the prestigious Royal Oak Shrine Tournament, an E.M.L. championship, a District championship, and six team members being named to the All Blue Water Area team, this year's girls' varsity softball team is looking towards an even better year.

This year's team led by seniors Helene Schultz, Mary Conlan, and Tara Pierson, includes eight returning players experienced in the rigors of stiff E.M.L. competition and aggressive tournament play. The girls devote long hours of practice to prepare themselves for the chance at a league title and the opportunity to play in the post-season state tournament.

We were deeply sorry to hear, that on November 3rd of this year, in a way that none had foreseen, Linda died at the age of fifteen.

We'll miss her so very much, but remember her as such, a very beautiful girl, who gave us all much joy.

And the good times that we shared, will show her that we cared, then and now 'cause we still do, just as friendship is anew.

She'll live with us in our hearts, with a smile for each day that starts, for as we all shall live, there will always be time to give.

To this very special person indeed, who helped us when we were in need, as many loving prayers are said, to Linda we pray all prayers instead.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat.
And that's why, at McDonald's, we do it all for you.
